Eixo 1 – Desenvolvimento de Aplicação Web Front-End

A decorative graphic on the left side of the slide. It features a large, light blue hexagon in the center, surrounded by several smaller hexagons in various shades of blue and teal. These smaller hexagons contain white icons: a lightbulb, a thumbs-up, a smartphone, a magnifying glass, a gear, and a speech bubble. There is also a small network diagram icon with a central node and five connecting lines.

Gerenciamento do Projeto

The screenshot displays a project management interface for a project named "Planejamento - T8G2". The interface features a Kanban board with five columns: "Backlog", "To do (23/04)", "In progress", "In review (17/04)", and "Done". Each column contains task cards with titles and a "documentation" link. The tasks are organized by status and priority, with a filter bar at the top for keyword or category filtering. The interface also includes a "Filter by keyword or by" dropdown and "Discard" and "Save" buttons.

A decorative graphic on the left side of the slide. It features a large cyan hexagon in the center containing the white number '2'. Surrounding this central hexagon are several smaller hexagons of varying shades of blue and cyan. Some of these smaller hexagons contain white icons: a lightbulb, a thumbs-up, a smartphone, a magnifying glass, a gear, and a speech bubble. There is also a small network-like icon with a central node and five connecting lines.
